Dear Fellow Golden Oldies,

I have attached information on both the Cook Islands and Lovedale Mini Festivals.

The Cook Island Festival has a number of teams already accepted. To allow anyone interested in going I am arranging to enter an "all sorts" team and so far we have 2 American, 6 Australian and 3 New Zealanders ready to go.

So, please come back to me ASAP if you wish to partake in a week of Sun, Surf and cold beers.

Hope to see you at both festivals

Kind Regards

Allan Forno
